I want to thank each and everyone who helped to create our awesome back yard dream, we are so thankful we chose you to make our lifetime dream come true, all the people that come to our house were so nice and polite. I have no complaints all I have is gratitude. I would absolutely recommend you to everyone my son lives in Madera and was asking me if you would go out there he loved our pool and how John worked with our needs and likes. Michelle, Barb super friendly and helpful, Martin & Greg as well answering all of my 20 million questions. Thank you again John and all of your wonderful staff. You made our house our forever home. The place our family will make wonderful memories.

Truly Gratefull,

Rafael & Sandra Lopez
